Training at the WSC-Venues in one of the most beautiful skijumping venues in the world

Oberstdorf is not only famous for its international and national skisport events but also for his excellent training center.

The first-class sport facilities, modern infrastructure and professional partners offer the best conditions for a perfect and effective training - during summer and winter.

The hospitality in Oberstdorf and the versatile leisure possibilities are also providing good recreation and regeneration.

Unique in the world - new ALOSLIDE ICE Inrun-System on HS 106 and HS 137!

Don' t hesitate and book your training camp TODAY!
