

PACKING LIST

HIKING - MULTI-DAY TRIPS • BACKPACK APPROX. 35 L, WEIGHT APPROX. 8 KG

Dear mountain enthusiasts,

for any tour, bring as little as possible – but as much as needed!

We, the mountain guides of the OASE AlpinCenter, have made a packing list for you, based on our personal experience. Please bear in mind that all indications of weight are just references and can vary. Generally, it is said that the higher the quality of the equipment, the lighter it is.

We recommend clothing and equipment of our partners* and wish you a lot of fun on your mountain tour.
